Thanks Lance and yes we are still interested and working to schedule events now. I will include Shea and Jim in this email. Let us know to whom we should follow up. Thanks and have a wonderful day!

Heather

Hope you are well. You had asked about some ideas on how to connect with farmers in Alabama. I think the Alabama Farmers Federation (ALFA) would be a good place to start. We work with them on a number of issues such as Concentrated Animal Feeding Operations (CAFOs). We have talked with their leadership and they would be pleased to arrange a time to talk at your convenience. Let me know if you would like to pursue this.
